

Medicaid Waiver

If you are capable to stay in your home it is important to us that you do.	00:00:05
The Regional Planning Commission's elderly and disabled Waiver Program	00:00:10
provide services that can keep you in the community and prevent nursing	
home placement. For qualified individuals living in Jefferson County, this	00:00:18
waiver program provides in-home care at no cost to you and does not	
affect your Medicaid Medicare benefits. This service exists to say state	00:00:27
dollars as it prevents nursing home placement that would otherwise be	
paid by Medicaid. As an approved Medicaid Waiver recipient, you have	00:00:34
the option to manage your own services and choose the individuals that	
you are comfortable with to provide care. Counselors are available to	00:00:43
assist you with creating a budget and managing funds towards approved	
medical supplies. The waiver program also offers an option for individuals	00:00:50
residing in a long term care facility to transition back into the community.
