Since 1963 the Regional Planning Commission has served residents 00:00:00
governments and businesses of central Alabama. We work to improve the 00:00:07
quality of the built environment, to improve economic opportunities for
everyone, to improve the quality of the region's air, and help our elderly
and disabled residents avoid nursing home placement. Bottom line our 00:00:21
team is here to serve you so check out our Web site and let us know what
we could do to help.
